# 4th Grade

## Welcome Back Mesrobian

**Dear Parents and New 4th Graders,**

**Welcome to 4th Grade! Although we still have several weeks left of summer break, I thought I'd get a head start on welcoming you back and provide you with some important information. I am very eager to get to know your child better as we begin a fun-filled school year with learning activities planned to help your child continue to grow intellectually, emotionally, and socially!**

**You will receive the elementary book list as a Jupiter email from school. Keep in mind that the Science series must be purchased through the publisher. Once you order (or even borrow/purchase certain books from previous students), please make sure your child has a total number of 12 books and consumable workbooks (that includes the novels too) for 4th Grade. Please make sure to order your child's books as soon as possible to make sure you have them on time. Shipping times have increased while supplies are sometimes limited, so please order as soon as you can. Since we cannot make copies for students, please make sure your child has all his/her books by the first day of school.**

**Attached, you will find the 4th grade student supply list. Take this list with you when you go shopping for school supplies so you can make sure you have everything you need. The multiplication flashcards should be purchased using the Amazon link provided. To ensure that supplies do not get misplaced, it is very important that all supplies are labeled with your child's name. For consumable books, please put your child's name label on the front cover.**

**I am looking forward to seeing all of you on the first day of school! Feel free to email me if you have any questions, but I will also be setting up Class Dojo in a few weeks so it will be easy for you to see reminders and be able to private message me through the app as well. Remember, please order your child's books as soon as possible. Enjoy the rest of your summer!**

**Sincerely,  
Mrs. Tamar**

# Fourth Grade
